Our Inspiration

Questions that defined our design

- 1) What's essential for the barber?
- 2) What's makes for a good experience for the customer?
- 3) What are we able to accomplish in two weeks?

The tablet screen displays the "Customer Portal" form. At the top, there is a small logo and the text "Customer Portal". Below this, there are several input fields: "Name:", "Email:", "Phone Number:", "Barber:", "Appointment Date:", and "Appointment Time:". Each field has a dropdown arrow. At the bottom, there is a yellow "Submit" button.

Future development

- Twilio for text alerts
 - Confirm/Cancel appointments
 - Alerts for new barber availability
- Manager Portal
 - Add/remove barbers
 - Manage products
- Barber login
 - Access customer info
 - Create list for “exclusive access”
