EXPERIENCE

RR Donnelley - *Digital Lead* - Tokyo, Japan 2021-Present

Assigned to the Morgan Stanley account, led and managed UX/UI design and web development projects. Transformed the cross functional team from Waterfall to Agile. Led APAC region Morgan Stanley website initiatives, generating over 20000 page views in the first five days of a high profile launch.

KPMG Ignition Tokyo - *UX/UI Designer* - Tokyo, Japan 2020-2021

Designing UX/UI for Machine Learning, AI, OCR and Blockchain platforms. Member of an award-winning Data Science team that develops cloud based enterprise solutions for KPMG Japan and Australia's Audit, Tax and Consulting services. Notable accomplishments include creating the first patented Excel Mapping UI and Machine Learning PDF Annotation UI in the world, and the first Design System within the KPMG network.

Tanqueray Gin - *Product Designer* - New York, USA 2016-2020

Redesigned TanquerayGin.com from scratch with the team and implemented incremental updates. Contributed to UX/UI design and led the team through the visual design ideation and execution.

Maybelline - *Product Designer* - New York, USA 2015-2016

Developed and launched Maybelline's new Fit Me! web app. Contributed to UX/UI design and mentored the team through the visual design ideation and creation process.

Smirnoff - *Product Designer* - New York, USA 2012-2015

Executed Smirnoff.com's multiple redesign processes. Contributed to UX/UI and visual design.
